ENCYCLE MAN OF HAN DELTA STATE O

PROFESSIONAL EXPERIENCE

Founded in 1983, Louis Lai & Luk has a team of 40 staff with more than three decades of experience and expertise in auditing, consulting and corporate services in Hong Kong.

We are an Authorised Employer of the HKICPA and are on the Public Company Accounting Oversight Board.

EXTENSIVE NETWORK

Louis Lai & Luk is part of an extensive network of clients, associates and expertise that covers Hong Kong, China and Europe. Our partner, Horizons Corporate Advisory, is based in Shanghai and Italy.

SERVICES

Audit and Assurance

Our expertise covers clients from single entities to complex listed and cross-border international companies.

Accounting

We provide quality bookkeeping services with monthly, quarterly or yearly financial management reports.

Taxation and business consulting

Corporate and Individual Tax

With 30 years' experience, we specialise in corporate tax investigation and appeal, offshore claims and cross-border tax restructuring. We also help individuals and sole proprietorships manage tax affairs.

Business Consulting

On the back of our extensive network in Hong Kong, China and Europe, we provide financial and management advisory services for strategic acquisitions and business due diligence.

Company formation, restructuring and secretarial

Company Formation and Restructuring

Entrepreneurs come to us from all over the world to set up their businesses in Hong Kong and China. We also offer restructuring and liquidation services to companies undergoing changes.

Company Secretarial

We provide statutory Company Secretarial and nominee directorship services.

Patents and trademarks

Protect your intellectual property through trademark registration. Our offices in Hong Kong and China can provide a onestop service, managing on your behalf the whole process of trademark search, filing and publication. We also provide services in managing patent applications for technological innovations in both Hong Kong and China.

Operations outsourcing

We provide outsourcing services in payroll, bank account and other internal operations for our clients with management headquarters located overseas.

CLIENTS

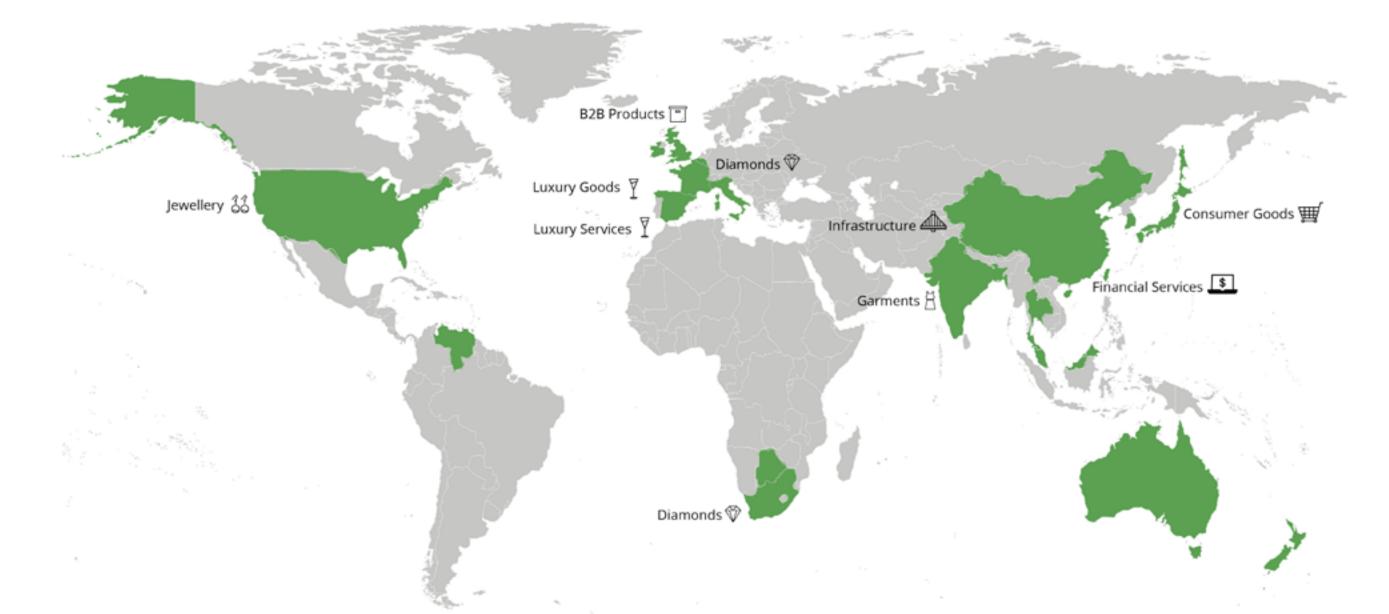

Louis Lai & Luk serves a truly global base of clients in

different industries and businesses, with a primary focus

broad knowledge and experience to customise solutions

for the day-to-day challenges of our clients.

on Hong Kong, China and Europe. We leverage our
